If *you* cancel following the 14-day cooling-off period, *your* cover will continue until the end of the month for which *you* have already paid, there will be no refund of premium because *you* will only have paid for the cover *you* have already received.

Cancellation by us.

We shall not be bound to accept renewal of any insurance and may at any time cancel any Policy Document by giving 14 days' notice in writing where there is a valid reason for doing so. Where **we** agree to provide **you** with a refund, **we** calculate any refund due by calculating the number of days that **you** have remaining on cover and refund the amount relating to this pro-rata period.

Mid-term adjustments.

Changing your policy.

You must take reasonable care to provide accurate and complete answers to all the questions **you** are asked when **you** take out or make changes to this policy.

You must notify **our administrator** as soon as possible if any of the information in **your** policy documents is incorrect or if **you** wish to make a change to **your** policy.

If **you** do not provide accurate and complete answers to the questions **you** are asked, or **you** fail to notify **our administrator** of any incorrect information or changes **you** wish to make, **your** policy may not operate in the event of a claim, we may charge **you** and additional premium, **we** may not pay any claim in full or **your** policy could be invalid.

Changes that may affect your cover.

In the event that any of **your** personal details change, such as address, email or contact numbers, please ensure **you** advise the **administrator** as soon as possible for **your** details to be updated to prevent any delays when making a claim.

Automatic renewal of your policy.

Your policy is a rolling monthly policy and therefore to ensure **you** maintain continuous cover under **your** policy it will automatically be renewed each month. Unless **you** advise **us** otherwise **your** monthly premium will be collected by the **administrator** using the payment method chosen by **you** at the time of the initial purchase of this policy.

Please note: although this insurance is offered at the time of purchase of **your mobile device**, it is a separate contract and is not linked to the length of **your mobile device** contract. Therefore, should **you** decide to cancel **your mobile device** contract, either during the cooling-off period or at the end of the contract term, it will not automatically cancel this insurance policy. **You** have the option of transferring the benefit of this insurance to another **mobile device** or to cancel this policy at any time, as stated under the Policy Cancellation section.

Premiums and claims - your rights.

When handling premium payments from **you** that are due to the **insurer** and when handling any claim **you** make, the **administrator** acts as an authorised agent of the **insurer**. This means that when **you** pay a premium to the **administrator** it is deemed to have been received by the **insurer** and that any valid claim **you** make it is not deemed to have been settled by the **insurer** until **you** have actually received a repaired or replacement **mobile device**.

The Insurer's right to change the premium and/or cover (monthly policies).

You will receive at least 30 days' written notice if **we** decide, or need, to change **your** policy cover, the policy excess or the price of this policy for any reasons, for example:

- to reflect increases or reductions in the cost (or projected cost) of providing this policy, including, but not limited to, increases or reductions caused by changes to the number, length, cost or timing of claims which **we**, as part of **our** pricing policy, have assumed or projected will be made under this policy;
- to cover the cost of any changes to the cover/benefits provided under this policy including, but not limited to, reductions in the time that **you** must wait before a claim can be paid or the removal of one or more policy exclusions; or
- to cover the cost of changes to the systems, services or technology in support of this policy.

Any minor changes **we** make to this policy that do not affect the nature of the cover, the benefit provided, the excess payable or the premium **you** will pay, will be notified to **you** through **your** annual statement or annual renewal letter, for example:
