

Nokia True Wireless Earbuds Promotion Rules

Effective as of March 4th, 2019

The redemption will be open to any customer residing in the UK who has purchased a Nokia 9 PureView (single SIM variant) in the UK from Nokia Mobile Shop between 24th February and 18th April or from selected retailers* in-store or online between March 4th and April 18th, 2019. Customers will be eligible to receive one pair of Nokia True Wireless Earbuds per Nokia 9 PureView purchase. Customers will be able to redeem earbuds until May 22nd, 2019, using the redemption site: https://www.nokia.com/phones/en_gb/nokia-9-earbuds-promo

The Nokia 9 PureView purchase will be validated via IMEI after 30 days of purchase. Redemption will be limited to 2 pairs of earbuds per household and is limited to the first 500 valid redemptions. To redeem the earbuds, the customer must be in possession of the purchased Nokia 9 PureView smartphone and must not have returned the smartphone for a refund or exchange. Earbuds will be provided to customers by Exertis UK. Earbuds will be dispatched to customers within 28 days of IMEI validation.

In connection with the redemption HMD Global may share customers' contact details with Exertis UK in order to deliver the earbuds to the customers. All customer personal data will be processed in accordance with HMD Global privacy policy, available at <https://www.hmdglobal.com/privacy>.
